RAISE MY SOCIAL CAPITAL STRATEGY

01

BUILD TRUST

Engage in activities that assure students of positive educator intentions. Develop relationships between students and M.O.V.E. Facilitators through M.O.V.E's academic school day guidance counselor program.

02

INTRODUCE STUDENTS TO SOCIAL CAPITAL SCALE

In tandem with young people assess and address Student Risk Factors within and surrounding student life. Encourage students to collect data about their circumstances. Record data on youth development, educational inequity and student prosperity, its causes and effects.

03

INTRODUCE NEW STUDENT EXPECTATIONS

Engage in rigorous discipline training. Transform student thought patterns and raise personal expectations and motivation to work and learn.

04

INITIATE ENVIRONMENTAL SHIFTS AND STRENGTHEN RELATIONSHIPS

Connect with principals, parents and counselors providing them with guidelines for participation in the Raise My Social Capital Project. Better the physical landscape of the spaces students inhabit.

RAISE MY SOCIAL CAPITAL STRATEGY

05

PERSONAL AND PROFESSIONAL DEVELOPMENT OPPORTUNITIES

Engage students in immersive experiences for personal development in spirituality, self esteem, public speaking, etiquette , self awareness, self worth, critical thinking, discipline and determination.

06

CREATE A SCHOOL TO COLLEGE OR INDUSTRY PIPELINE

Ensuring students are highly competitive, prepared and connected for entry into higher education or the workforce. Offer workshops, one-one mentoring, networking opportunities and resume building.

07

INITIATE PASSING OF THE TORCH CEREMONY FOR UNDERCLASSMEN

Encourage students to share their new social capital with underclassmen and spread the concept of higher expectations throughout their school environment.

08

CREATE LONG LASTING COMMUNITY WITH RAISE MY SOCIAL CAPITAL GRADUATES

Ensure that participants maintain their new social capital, use it for prosperity and pass it on to others through mentoring and community service.
